

## Brannoxtown Community National School

Brannockstown, Co. Kildare, W91 NY67.  
Principal: Dr. Sarah FitzPatrick

24<sup>th</sup> September, 2020

Dear Parents,

I hope this finds you very well. Next week we're spotlighting **healthy eating** across all classes. Enclosed, you'll find:

- A summary of our school's Healthy Eating Policy
- A copy of our Healthy Eating Recipe Book.

We're gathering new recipes for our *Healthy Eating Recipe Book* this month and next. In November, we'll update the Recipe Book so that the next issue is available for sale (for a nominal sum!) in December. Last year, funds from the sale of the recipe book contributed to our new outdoor furniture and play spaces. If you have a recipe you'd like us to include and/or if you're interested to work on this project with us, please email us ([brannoxtowncns@kwetb.ie](mailto:brannoxtowncns@kwetb.ie)) with *Healthy Eating* in the email subject line.

### All Children:

- Please check if you have returned your signed copy of the **Code of Behaviour Summary and Agreement Form** for you and your child(ren) and if not, return it to us next week.
- Children in all classes bring home their **pencil case** today, for cleaning and return to school on Monday.
- Please check that your child has all **stationery items** (on the Booklist) to ensure that children use their own stationery items only.
- Your child's teacher will check in with you later today/tomorrow re access to the **Class Dojo**.

### Children from first to sixth class:

- *Homework Folder: Week A* is in each child's schoolbag for next week.
- The folder includes four nights of homework (Monday to Thursday) focused on maths and healthy eating.
- Children participating in the Afterschool Club bring their Homework Folder to school on Monday.
- *Homework Folder: Week B* with completed homework from last week, can be returned to school on Monday.

The **Notice Board** on the homepage of our website also includes all school announcements – policy links and calendar updates: [www.brannoxtowncns.ie](http://www.brannoxtowncns.ie). You'll find the latest draft of all **school policies** at: [www.brannoxtowncns.ie/school-policies/](http://www.brannoxtowncns.ie/school-policies/). We look forward to resuming our **monthly meetings with parents** for a coffee and chat about school developments, as soon as restrictions will allow.

On behalf of the staff and the Board of Management, thank you again for your support as we work together to keep our children safe and well at Brannoxtown CNS.

With best wishes,

Sarah FitzPatrick, Principal
